You will have noticed that work on the south aisle roof of St James is now underway and will soon be completed. But then a hefty bill will arrive! So please do support the events which are being arranged, of which the Fete is a great fundraising opportunity. As you will have seen from the calendar, this begins at 2.00 pm on Saturday June 11th and we do hope the weather will be kind to us. There will be all the usual attractions, including of course a book stall. Could we ask you to let us have any books which you have read and no longer need so that others can purchase and enjoy. And the same remarks apply really to the plant stall – because very often you raise more seedlings than you can cope with and it would be good to let others have the benefit of your surplus. Still begging – cakes for the cake stall and for teas would be most welcome. I will be delighted to receive any of these items prior to the fete. Many thanks.

Neighbourhood Watch

Motor bike thefts both old ones and special new ones – 2 taken from Grafton Regis 1 from Stoke Bruerne and other local locations.

Thefts from work vans are on the increase. Burglars are cutting through the alarm wires down the door strip.

Sheep have been stolen from Litchborough.

WATCH OUT. A driver with a child pulls into drives and asks directions. Returns later to get child through openings in order to open house door for the thief.

Oil has been stolen from the main pipeline running through Grafton Regis. Thieves caught in the act.

Shed alarms still available.

If you need to speak to a policeman PC Bhattacharya 101 ext. 343268 or 07557 778625 would be pleased to help you.

Paulerspury Horticultural Society

Our next meeting will be Thursday 12th May at 7.30 pm in the Village Hall as usual. Alan Standish, a local metal detector specialist is coming to tell us all about his local finds. Some of you may have seen Alan in the fields around the village. He has made some exciting discoveries near Nether Heyford, including human remains. Do come along, it should be an enjoyable and informative evening. It's also a good way to meet or catch up with people every month. Everyone seems to enjoy the tea and coffee afterwards as much as the talk itself! New faces always welcome.
