Defibrillators

Paulerspury Parish Council has purchased two Defibrillators, one of which will be installed on the outside wall of the school and the other will be located in the telephone box in Lower Street, Pury End. The one on the school will have one pair of adult electrodes and one pair of child's electrodes.

All residences in the Parish will be receiving a leaflet which will inform residents about these appliances. There will also be an instruction evening on 12 October 2016 in Paulerspury Village Hall at 7.30 pm when East Midlands Ambulance Service will explain these appliances in more detail and demonstrate their use. A defibrillator may save someone's life and it is hoped that as many residents as possible will attend this event.

Maggie Down - Clerk to Paulerspury Parish Council

Paulerspury Picturedrome.....

.....opens its doors to start off the new season on Friday 4th November with a showing of BRIDGE OF SPIES. This was the best film I saw last year and I cannot wait to see it again. Set during the Cold War, it is based on factual events, involving the repatriation of Gary Powers the pilot of a spy plane. Wonderfully acted by Tom Hanks and Mark Rylance. Starts at 8.00 and finishes in time for a visit to the pub. £5 pay at the door. A free chocolate for everyone who attends!

Paulerspury Horticultural Society

Our October meeting is on Thursday 13th October, 7.30pm in the Village Hall.

The topic this month is Hellebores, those wonderful late winter flowers that we all love to see.

Penny, from Harvington Hellebores, part of Twelve Nuns Nursery near Peterborough, will be showing slides and talking about her passion for Hellebores.

Penny will be bringing some plants for sale too, so hopefully you will be able to purchase some new varieties.

Everyone is very welcome to come along, even if you currently have no interest in gardening!

Penny will be talking for about an hour, after which we will have our usual tea and coffee and draw the raffle.

Hope to see you there. For more information, Tel: 811814 suejbartlett@hotmail.co.uk

Toi Coates will be welcomed to our kitchen to prepare a very special, authentic Thai banquet. The three course set menu is priced at £25 per head and we will require a £5 non-refundable deposit per person when booking. To book call us on 811 086 or pop in to the pub. We expect demand to be high for this event so make sure you don't leave it too late!

We will have a whole new selection of seasonal specials on our menu this month. We have continued to work with the gamekeeper at Wakefield Estate and will be bringing you hearty, autumnal dishes with top quality meat from just a few fields away. Perfect for enjoying on a long evening next to our cosy wood burning stove.

Christmas is also on the horizon and if you have started to make plans then our Christmas menus are available on our website www.barleymow-paulerspury.co.uk and in the pub. We know it's a bit early for some so we will save all the tempting details until next month!

News from Paulerspury C.E. Primary School

The new academic year has begun and it's wonderful to be back into the routine of school life. We have much to look forward to this year and I am excited to be able to update via this newsletter, our school newsletters and our new school website.

New fences

Many of you may have been following the progress of the new fences surrounding our playground, in real life or via the school Facebook page and Twitter feed. Thank you for the many positive comments that we have received about it! It is much safer for the children and also maintains the beautiful appearance of our school building.

New topics

Our 'World Learning' curriculum continues with new countries! Goldsworthy Class' learning is linked to Egypt and they have a nine foot tall pyramid in their classroom. Gershwin classroom looks 'wunderbar' as they learn about Germany. Shakespeare Class will be learning about India and win the award for the most colourful classroom! Diversity Class has an oriental theme as the children learn about Japan.

We had 'Arts Week' in the second full week of term where the children created wonderful pieces of art, super sculptures, delightful drama and melodic music linked to their countries. Also each child had the opportunity to learn about rhythm with Ollie Tunmer from 'Beat goes on', a STOMP-style body percussion workshop.

The other Year 6 children will find out over the next week if they are to be given other responsibilities, such as House Captains/Vice Captains, Chair of School Council and Secretary to the School Council.

Messy Church has started up again and the next session will be at 3:15pm on Tuesday 11th October. Messy Church is a way of being church for families involving fun. Its values are: being Christ-centred, for all ages, based on creativity, hospitality and celebration. Come along and find out more!
