Date : 28 May, 2020

Dear Sir/Madam

## Town and Country Planning Act 1990 Standard Consultation

**Application No. S/2020/0858/FUL**

**Proposal Disconnection of 1950's septic tank which accepts both foul and storm water and discharges into the brook running from Paulerspury through land belonging to Plumpton Barn, with a new sewage treatment plant serving the house and the cottage.**

**Location Plumpton End House Plumpton End Paulerspury NN12 7NJ**

This is a consultation on the above proposal. If you have any comments to make, please make them by **18 June 2020**.

If you need more time you should contact us no later than **18 June 2020**. We can only grant more time in exceptional circumstances and we would need your reasons for the request, together with a firm date by which we will have received your comments.

Copies of the application, plans and other documents submitted with it are available to view on the Online Planning Register on the Council's website

Guidance on how to submit your comments and the information you can include is available on our website using the link below:
