CHURCH CLOCK By early May the PCC hopes that the Church Clock will be restored to working order. The Clock is classed as being of benefit to the Community and thanks to grants obtained from South Northamptonshire Council and the Parish Council it has been possible to arrange for a clock restorer to complete the restoration work that was still to be done when the original restorer sadly died. There will no doubt be a period whilst adjustments are required but do please listen out once again for the striking of the hours.
