Volunteer Drivers Urgently Needed in Your Area

Our fleet of volunteer drivers is the lifeblood of TADD (Towcester Area Door to Door) community transport. Our volunteers provide an invaluable service, taking people to their medical-related appointments and other venues which contribute to their well-being and independence and help combat loneliness and isolation. This year, TADD has a waiting list and reduced capacity due to an unprecedented shortage of volunteer drivers. This means that we struggle to help the elderly and vulnerable in YOUR community.

BEING A TADD VOLUNTEER IS EXTREMELY REWARDING!

USE YOUR OWN CAR

MILEAGE IS REIMBURSED

NO INCREASE IN INSURANCE PREMIUMS

FLEXIBLE HOURS, ORGANISED AROUND YOUR AVAILABILITY

DBS CHECK REQUIRED

With an ageing population many of us will end up needing to use this service, so please help support your local community.
