23<sup>rd</sup> June 2022

Dear Sir or Madam,

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS ON THE A43:  
BETWEEN TOWCESTER ROUNDABOUT (SOUTHBOUND) AND  
NORTHAMPTON ROAD ROUNDABOUT (BRACKLEY)**

I am writing to let you know that we will be carrying out essential maintenance work to the A43 Southbound carriageway between the Towcester roundabout and the Northampton Road roundabout at Brackley.

During this comprehensive scheme of work, we will repair and replace damaged drains, resurface the carriageway, renew any damaged kerbs, refresh road markings, install road studs and vegetation clearance works.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

**When will the work take place?**

We are planning to start work from the 25<sup>th</sup> July 2022 for approximately three months.

To keep our programme for these works as short as possible and to minimise disruption to the local community, we will work overnight between **8pm** and **6am, Monday to Friday**. We do not currently plan to work Saturday or Sunday nights, however please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances, such as clashes with other emergency work on the diversion routes.

**How will the work affect traffic and businesses?**

To maintain a safe environment for our workforce and motorists, we will need to use a full carriageway closure while we work. During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority.

All carriageways will be open as usual outside of our working hours. We will make sure that access to businesses and residences is maintained wherever possible.

## **UPDATE OF THE ESSENTIAL RESURFACING MAINTENANCE WORKS ON THE A43/A5 TOWCESTER ROUNDABOUT**

The next closure to the Southbound of the A43 (from M1 J15a to Tove roundabout) along with the A5 from Tove roundabout into Towcester is scheduled for the 27<sup>th</sup> June 2022. This will be to complete the high friction surfacing and white lining.

Following this, a Northbound closure of the A5 (from Towcester roundabout towards the Bell Plantation) will be in place on the 30<sup>th</sup> June 2022 to carry out the remainder of the surfacing works.

We will work overnight between 8pm and 6am, Monday to Friday.

### **How will this work affect traffic?**

Diversion routes will be well signed and access to local traffic will be allowed between the Old Mill Race Roundabout and Jack's Hill Café (approximately 500m north of Towcester roundabout).

During the day (6am to 8pm) all carriageways will be open as usual.

We would like to thank local businesses, residents and road users for their support whilst we carry out these essential works

### **Contact Us**

If you have any questions about this work, please contact our dedicated Public Liaison Officer, Leanne Gibson, as follows:

- Email: [EMcomms@amey.co.uk](mailto:EMcomms@amey.co.uk)

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)
- Telephone: 0300 123 5000

Yours faithfully,

*Simon Wagstaff*
